Phone - (253) 480-2480

In-person - Covington Aquatic Center
18230 SE 240th St. Covington, WA 98042

COVINGTON AQUATIC CENTER

WHAT CLASS IS RIGHT FOR YOU?

Placing your child into the correct level is critical for their success. Each swimming level focuses on different skills, depending on age and ability. If your child is a beginner, they will start in the first level of either Parent & Child Aquatics, Preschool Aquatics, or Learn to Swim, depending on their age. If your child has had no lessons before or has some swimming experience, their swimming ability needs to be assessed to determine the appropriate level in our swim lesson program. We provide Placement Tests free of charge during our Public Swims.

GRADE DAY INFO

- "Grade Day spots" for all classes are held until the preceding session's grade day.
- Grade day spots are only available to students currently in the preceding session.
- On the preceding session's grade day, register after your class - a limited number of spots will be available after class ends.
- If your needs aren't aligned with current offerings, staff will record your requests and contact information so that we can notify you regarding updated availability.
