

Request for Qualifications

For Professional Engineering Services in the design of
Roundabout Rectangular Rapid Flashing Beacons
City Project 2021 CIP CWSP RRFB
Covington, WA 98042

The City of Covington is requesting qualifications from qualified engineering consultants or consultant teams with experience in preparing design plans and specifications, cost estimates and construction management for civil and transportation projects. The Agreement is anticipated to start in the spring of 2021 and end at the end of 2021.

The City will conduct interviews with three to five qualified consultants for the Roundabout Rectangular Rapid Flashing Beacons (RRFB) Project. The selected consultants should be knowledgeable about Washington State and City of Covington standards, State and Federal regulations, and project implementation requirements. Must have experience in similar RRFB projects as well as other traffic safety type implementations.

The City of Covington encourages disadvantaged, minority and women-owned consulting firms to respond. The project is federally funded and will be held to Federal EEO requirements.

Americans with Disabilities Act (ADA) Information

The City of Covington in accordance with Section 504 of the Rehabilitation Act (Section 504) and the Americans with Disabilities Act (ADA), commits to nondiscrimination on the basis of disability, in all of its programs and activities.
